Communications Commission Meeting

Thursday Feb 10, 2011 @ 3:30PM

Seymour Police Conference Room

Meeting called to order at 1535 hrs

Attending: Tom Eighmie, Kyle Kelley, Tom Jensen

Correspondence - none

Old Business

Chairman Eighmie stated that the Oxford site is not up yet, delays due to equipment configuration, AT&T final blessing and access to site due to snow. All current information reviewed.

New Business

Chairman Eighmie stated the need to continue to move forward on PD dispatch console and simulcast system. It has become a high priority with the increased call volume especially in Route 34 corridor by all emergency services.

Motion by Kyle, 2nd by Tom to aggressively look at the system need and try to seek funding for replacement/updates before something catastrophic happens.

Vote 3-0 in favor.

Public Comment- none
