

Communications Commission Meeting
Thursday Sept 8, 2010 @ 3:30PM
Seymour Police Department

Members Present: Tom Eighmie, Tom Jensen, Kyle Kelly

Meeting called to order @ 15:30 with the Pledge of Allegiance

Correspondence-none

Old Business

-Status of Tower Sites

Everything has been in, we are waiting for Vendor and Landlord to finish shelter hookups to move our equipment. Kyle questions the Vendor's lack of urgency to finish the job, noting we are a year behind schedule.

-PD Console/Phones/Recorder

Tom was instructed to continue to research and write an RFQ (request for quote) for the PD radio console, dispatch furniture, 911 recorder, and telephone system.

-Tom Jensen asked about DPW high band license, Tom Eighmie stated it has been applied for and we have some modification paperwork that needs to be filled out. DPW should plan on funding radio replacement in the upcoming 2011-2012 budget year.

New Business

-Capital Plan

Tom Eighmie stated that there will be a capital projects meeting upcoming to discuss town needs by the Board of Selectman. PD work and then Simulcast system remain two top projects that need to be funded for public safety.

Public Comment-none

Adjournment - Motion by Tom Jensen 2nd by Kyle vote 3-0 yes @ 1550 hrs
