ECONOMIC DEVELOPMENT ADVISORY COMMITTEE

1. Meeting called to order by First Selectman Paul Roy at 7:00PM.
2. Everyone saluted the flag and said the Pledge of Allegiance.
3. Open Discussion on use of Economic Development Consultant, Economic Development Director, or Economic Development Corporation.

Several concerns and ideas evolved from the discussion. All agreed that an Economic Development Corporation would not be a good choice.

All agreed that the position should be part time, unless being able to be combined with another part time position.

All agreed that the position should be advertised as an Economic Development Director/Consultant. Salary should be in the \$40,000-45,000 range with no benefits. Board of Selectmen or First Selectman would approve number of hours to work.

Commission agreed that the best case scenario would be to hire from mid January to first of February. Members expressed an interest in being on interview team.

The First Selectman will write a summary to the Board of Selectmen for their approval.

Submitted and Reviewed by,

Paul Roy
