Approve February meeting minutes – Kim made a motion to approve the February regular meeting minutes, Kurt seconded, all in favor, minutes approved.

Discuss Founder's Day – Kim reported that letters were sent out to area schools, organizations and businesses to ask for volunteers. She would know more in the upcoming few weeks of how many volunteers would be needed and where and how our group should organize them. Kim asked the group if they thought we should take a booth for that day and hand out information. Joe and Kurt both had concerns that it might be too much to take on and handle the volunteers. The group decided that we would not take a booth this year.

Discuss Non-Profit Status – Kim reported that she had spoken to Fred Stanek about the group becoming a non-profit and what it involved. The group decided that each member would research it more on-line and through other sources and discuss the pros and cons at the next meeting.

Discuss grant status – The group discussed holding off on seeking and preparing grants until the non-profit status is discussed and acted upon.

Discuss upcoming project schedule - The group discussed some events that would focus on town areas over the next few months. The goal is to work on highly visible projects to promote the committee. Kim will schedule a meeting with First Selectman Paul Roy and Bill Paecht to discuss and schedule the events.
