Meeting called to order: 7:00 p.m. by Kim

Public Comment: None

Discuss Upcoming Projects: Kim and Joe and Kurt that the Haunted Trails was very successful and one of the best ones yet. Discussion moved to the end of October and November projects. Kim has gotten permission for the group to have a table at the downtown trick-or-treating event on Oct. 30. Kurt and Joe will man the booth. Everyone will buy a couple of bags of candy to hand out at the event. Kim will provide the decorations for the table. Joe will make copies of the information flier to hand out to parents. The Historical Society leaves date has been accepted as the 14th and the 21st of Nov. Kurt mentioned having a landscaper come in to suck the leaves up rather than scheduling a truck and getting bags. He will contact Ted's Landscaping and Kim will contact the Historical Society to see if we can come on the Saturday's rather than the Sunday's. Kim will find out when the Christmas Parade is and let the group know to schedule a clean-up and possibly march in the parade. Kim will contact Missy about looking into the Red Cross and Dog Shelter for the winter. Kim will get information on Spooner House and the Food Bank before the next meeting.

Discuss Membership: With more community projects and advertisement and handing out fliers at our events the hope is to gain more membership.

Discuss account status: The subject has been tabled until after January.

Old business: None

New Business: Kim will schedule a meeting with Paul Roy to discuss upcoming projects in the next two weeks and let the group know.

Meeting adjourned by Kim at 7:40 p.m.

Respectfully submitted,

Kim Osgood
