Public Comment-

John Fanotto asked if the other members of the WPCA had read and acknowledged last month's (June 10th, 2008) minutes. Atty. Bruchal was asked (by board members) if Town Hall officials had understood that the sewer use bills were not refunded and that they should cap and plug the sewer lines from the public parks if they did not want any future sewer use bills. Discussion ensued on how many years the estimated water bills (which the sewer use bills are based on) that were paid seemingly without question.

Stephen Chucta made a motion, Lou DeBarber 2nd, to adjourn the meeting. Motion passed 5-0. Meeting ended 6:45pm.
