Seymour Community
Center Building

The purpose of this committee is to clean-up area parks/community buildings and show pride in our town. We are always looking for new members who are willing to donate their time, equipment or talents to our group. Volunteers are needed for this month's project which is to help spruce up the Cougar's Den Rooms. These rooms are used for monthly town meetings, weekly youth Karate classes, rainy day location for the summer playground camp programs and as a middle

school teen center twice a month.

For further information or to join, please contact any of the current board members: Kim Osgood, Joe Todice, Kristin Scianna, Kurt Miller and Missy Orosz at Seymourpride@hotmail.com.
