January 20, 2010

Dear

It is with great pride that we announce the first "Seymour Founder's Day" celebration to be held on Sunday, June 6, 2010, from 10 am to 5 pm, rain date - Sunday June 13, 2010. It is our hope to bring to our community, a day to celebrate our past and enjoy our present and highlight our future. This day will be filled with history, entertainment and fun! Our entire downtown main street area will be closed to traffic and filled with vendors, food booths, a car show, rides and entertainment while area shops and restaurants will be open for business.

All proceeds from the day's events will be donated to the Seymour Historical Society.

Seymour Founder's Day will be a great event to reach hundreds of people with your products or services. Be part of our Humphreyville Market Place and sell your antiques, collectables, jewelry and/or crafts. With all the activities planned for the day our visitors are sure to get hungry and thirsty. Whether you're a professional food vender or just trying to raise money for your organization it is a great opportunity for all. In addition, we have corporate informational booths for businesses and organizations who want to market their company or group to Southern Connecticut.

Please fill out the application if you are interested in taking part in our Seymour's Founders Day Event. Please enclose your payment with your application. Space is limited.

Sincerely,

Founder's Day Committee
