# Regional Flood Resilience Project Community Meeting

**About:** Undersized, aging culverts & drainage systems can cause flooding and harm wildlife. Having incorporated feedback from first round of public meetings, NVCOG will now present the preliminary designs for each site.

### Join Us In-Person or Online:

- Thursday, September 11, 2025
- 6:00 PM to 7:00 PM
- Town Hall Meeting Room, 486 Oxford Rd, Oxford, CT 06478
- Zoom link: <https://bit.ly/NOS-CRF>

### Project Areas and Discussion Sequence:

- 6:00 PM – Highland Avenue, Naugatuck
- 6:30 PM – Fire Station / Kirk's Pond, Oxford
- 7:00 PM – Mountain Road, Seymour
