

MINUTES
Board of Selectpersons
Tuesday, October 6, 2026 – 7:00 PM
Norma Drummer Room – Seymour Town Hall

Members Present: Annmarie Drugonis, Trisha Danka, Phil Wilhelmy, Scott Andrews, Brianna Girard, Al Bruno and Bob Findley

Others Present: Town Counsel, Ryan Driscoll; CAO, Kurt Miller; Finance Director, Jason Vieira; Theresa Conroy, Fred Stanek, Sookhai Family, Dr. Susan Compton, Frank Gabianelli, Jeff Baryla and Rob Dyer

ITEM #1: Call meeting to order

First Selectwoman, Annmarie Drugonis, called the meeting to order at 7:02 PM

ITEM #2: Pledge of Allegiance

Everyone saluted the flag and recited the Pledge of Allegiance.

ITEM #3: Public Comment

Theresa Conroy, 177 Skokorat Street, expressed concern that the Town has discussed tax incentives for businesses but has not given similar consideration to senior citizen tax relief. She noted that many longtime senior residents are living on fixed incomes and struggling financially. She referenced Connecticut General Statutes § 12-129n, which allows municipalities to provide additional property tax relief, and a new state option beginning with the October 1, 2027 assessment year. Ms. Conroy emphasized that the issue is one of fairness and priorities, not seniors versus developers, and requested that senior citizen tax relief be placed back on the agenda for further discussion.

ITEM #4: Approval of minutes

a. Regular Meeting - September 15, 2026

b. Ordinance Committee – September 15, 2026

Motion to approve minutes from the September 15, 2026 Regular Meeting Minutes

Motion: Trisha Danka

Second: Phil Wilhelmy

Vote: 5-Yes

0-No

2-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Abstain

Bob Findley - Abstain

Motion to approve minutes from the September 15, 2026 Ordinance Committee Meeting Minutes

Motion: Trisha Danka

Second: Phil Wilhelmy

Vote: 5-Yes

0-No

2-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Abstain

Bob Findley - Abstain

ITEM #5: Appointments

Bill Stowe, a longtime member of the Board of Public Works, recently passed away. His wife is being appointed to serve the remainder of his term.

Motion to appoint Lisa Stowe to the Board of Public Works for a term to expire December 1, 2027

Motion: Trisha Danka

Second: Scott Andrews

Vote: 7-Yes

0-No

0-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes
Bob Findley - Yes

Brianna Girard – Yes

Scott Andrews – Yes

ITEM #6: Tax refunds/abatements

Motion to approve the tax refunds/abatements as presented.

Motion: Trisha Danka

Second: Bob Findley

Vote: 7-Yes 0-No

0-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Yes

Bob Findley - Yes

ITEM #7: Correspondence

- Email from Mr. Matt Alrerio

Matthew Alrerio
63 Tibbetts Road
Seymour, CT 06483

October 6, 2026

Board of Selectpersons
Town of Seymour
1 First Street
Seymour, CT 06483

Via email to the Town Clerk — please enter into the record of the
October 6, 2026 meeting, agenda item 17 ("Discussion and possible action
regarding resident request to purchase a paper street known as
South Benham Road")

**Re: South Benham Paper Road — Request to Purchase;
Response to July 31, 2026 Correspondence**

Dear Members of the Board:

I write as the owner of 63 Tibbetts Road, Seymour, which abuts the paper
street known as South Benham Road. I have asked the Town about purchasing
the Town's interest in this paper road for agricultural purposes only. I
own to the center line of the road and offered to purchase the remaining
interest. I understand this matter is before you, and I respectfully ask
that the following be entered into the record.

First, the paper road at issue was never built, never accepted, and never
maintained by the Town in its approximately fifty-year existence. The
Town's claimed interest — and what exactly the Town would be selling — has
never been established with title evidence. I ask that any decision on my
request rest on that evidence, not on assertions.

Second, I have reviewed the July 31, 2026 letter to Director Baldwin
signed by Jeff Baryl as "Advisor to the Seymour Conservation
Commission." I respectfully ask the Board to weigh that letter for what
it is:

- Mr. Baryl is a non-voting advisor to the Conservation Commission, not
a member and not its chairman. The letter nevertheless speaks for the
entire Commission — "strongly opposes," "finds it insulting," "they
humbly ask" — yet no vote of the Commission authorizing the letter has
been produced. An advisor's personal position, however sincerely held,
is not a Commission position.

- The letter re-characterizes zoning and inland-wetlands violations issued in 2022 as "illegal" clearing and filling, and asks that "reparations" be imposed. Those matters were fully litigated and settled. Reopening them through this purchase request is improper, and no board or commission in this process holds the power to impose "reparations" for settled litigation

- The letter asserts that paper streets "are considered easements" belonging to the Town for trail purposes. That is the very legal question at issue, stated as though decided. It is Mr. Baryla's position — he is also the Town's Trail Manager, pursuing a greenway through this area — not an established legal fact

- The letter was addressed to the Land Use Director rather than to this Board, which decides Town real estate matters.

I want to be clear about who I am and what I am asking. I am a farmer — I own and work 300 acres in New York, and I farm my 7.69 acres here at 63 Tibbetts Road in Seymour. Acquiring an abutting paper road interest to consolidate farmland is something farmers do routinely — it is an agricultural decision, not a dispute. I am not looking for an argument with anyone; I am asking only to set the record straight. I do not oppose trails or conservation. I am a farmer asking to farm. I ask only that the Board decide my request on the merits, on title evidence of what the Town owns, if anything, in a paper road it never built, accepted, or maintained — and not on an unauthorized letter seeking to revive settled litigation.

I am unable to attend tonight's meeting and respectfully request that this letter be read and entered into the record.

Respectfully,

Matthew Alterio
63 Tibbetts Road, Seymour, CT 06483

Date: 10-5-2024

ITEM #8: Presentation from the Sookhai Family regarding a potential program to provide hygiene and other essential items to the Seymour Public Schools

A presentation was given regarding a proposed community initiative aimed at providing personal care products to students and families in need. The Sookhai family discussed the program's objectives, community involvement, and plans to collaborate with local schools. The family pledged \$1,500 to help launch the initiative and requested the Board's endorsement and assistance in establishing community partnerships.

In response to Scott's question regarding administration of the program, the Sookhai family discussed plans to establish collection locations throughout Town and work with school nurses, social workers, and community members. The increasing cost of personal care products and the growing need among students and families were also discussed.

Superintendent, Dr. Susan Compton, expressed support for the initiative, noting that school nurses would benefit from additional supplies. She stated that the initiative would be discussed at an upcoming Board of Education meeting. The importance of developing a sustainable program was also emphasized.

The Sookhai family noted that the initiative remains in the planning stages. The Board expressed support for the initiative and commended the students for their presentation and efforts.

ITEM #9: Discussion and possible action regarding an update from the Awards Committee and its recommendations for award recipients

Motion to update Item #9 to be "to present the awards to our awards recipients"

Motion: Trisha Danka

Second: Scott Andrews

Vote: 7-Yes

0-No

0-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Yes

Bob Findley – Yes

Brianna, the newly appointed Awards Committee Chair, presented the 2026 Frank and Ann Conroy Outstanding Community Service Award to Thomas Baklik in recognition of his exemplary community service and the 2026 Roberta M. King Excellence in Governmental Service Award to Frederick D. Stanek in recognition of his exemplary governmental service.

Mr. Stanek congratulated Mr. Baklik and recognized his dedication and numerous contributions to the community. Mr. Baklik discussed his annual Christmas breakfast, scheduled for November 15th from 9:00 a.m. to 12:00 p.m. at 19 Chucta Road, which benefits several surrounding communities through donations of new, unwrapped toys.

Mr. Stanek thanked the Board for the recognition and reflected on his 40 years of service in elected office. He also shared his memories of Roberta King and her dedication to the Town of Seymour, expressing his appreciation for receiving the award.

ITEM #10: Discussion and possible action regarding emergency appropriation for a lease purchase for a new plow truck for Seymour DPW

Public Works Director, Frank Gabianelli, explained that a 26-year-old Public Works truck was found to have significant structural deterioration during its annual federal inspection and would not pass inspection. He noted that replacement had previously been included in the budget but was ultimately cut. He expressed concerns regarding the truck's safety and emphasized that removing it from service would significantly impact winter road maintenance and public safety, particularly on the west side of Town.

The Board discussed the department's aging fleet, replacement needs, and long-term capital planning. Frank explained that several trucks have been refurbished to extend their useful life, but additional replacements will be necessary in the coming years. He also indicated that a replacement truck was available through a lease-purchase arrangement.

Finance Director, Jason Vieira, outlined potential financing options through the vendor or M&T Bank, noting that no down payment would be required and payments would begin the following year. The possibility of auctioning the retired truck and allocating the proceeds to Public Works was also discussed.

The Board emphasized the importance of public safety, adequate funding, and educating residents about the Town's equipment needs. Discussion also focused on improving long-term capital planning to help prevent similar situations in the future. Kurt noted that the department presents its five-year capital plan annually, but funding limitations continue to be the primary obstacle.

Resolution:

Resolved, by the Board of Selectpersons to approve the purchase and lease of a Freightliner 114SD Plus SA Plow Truck from Freightliner of Hartford to be used for snow removal and public safety. The cost of this equipment is \$277,069.44 will lease through a tax-exempt municipal lease through M&T Bank and/or its wholly owned subsidiary 233 Genesee Street Corporation. At the conclusion of the lease the Town will own the equipment for \$1.

Motion to approve the resolution as read

Motion: Scott Andrews

Second: Bob Findley

Annamarie Drugonis – Yes

Trisha Danko – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Yes

Bob Findley - Yes

ITEM #11: Discussion and possible action with Finance Director Jason Vieira and IT Director Rob Dyer regarding the potential building of a town-owned cell tower

The Town hired Airosmith, a consulting firm, to assist with the cell tower project. Representatives from Airosmith, Verizon, and Town staff visited three potential locations: Gary Park, Seymour Middle School, and Great Hill Hose Company. Gary Park was initially the preferred location; however, Verizon's radio frequency engineers determined it was too close to an existing tower in Ansonia. The Seymour Middle School location was also ruled out due to insufficient ground elevation.

The Great Hill Hose Company property was determined to be a suitable location for a proposed 140-foot tower. The existing tower would be removed and replaced with a new tower near the current storage shed. The tower would be painted to blend in with the surrounding trees.

An Airosmith project manager was scheduled to revisit the site on October 9th to complete additional compliance work, with a report anticipated before the next Board of Selectpersons meeting.

Scott raised concerns regarding potential complaints from residents in the Botsford Road area. The Board further discussed the proposed tower location, removal of the existing tower, and potential revenue to the Town. A more detailed report is expected at the November meeting.

ITEM #12: Discussion and possible action regarding the abandonment of town-owned property

a. Birch Street

Birch Street, a paper road located between Washington Avenue and Cherry Street, was previously discussed for potential abandonment to the four surrounding property owners.

Attorney Driscoll outlined the process for discontinuing the road, which includes an 8-24 referral, Board of Selectpersons approval, Town Meeting approval, and a 30-day notice to adjacent property owners. Following discussions with Attorney LeClerc, it was recommended that the Town Meeting be scheduled for December to allow sufficient time for the required notifications.

Attorney Driscoll explained that the first step would be for the Board to determine whether it wishes to proceed with the abandonment and take appropriate action subject to statutory requirements. The Board discussed the matter.

Motion that the town moves forward to abandon the property known as Birch Street

Motion: Scott Andrews

Second: Bob Findley

Discussion: Al Bruno asked whether Birch Street had presented any issues. Scott explained that while the road was heavily used in the past, it has since become a dumping ground. Phil expressed his support for the abandonment, noting its potential benefits. Attorney Driscoll explained that abandoning the road would transfer ownership and maintenance responsibilities to the four adjacent property owners.

ITEM #14: Discussion and possible action regarding a request for an 8-24 Referral for 234 W. Church Street.

Annmarie presented a map illustrating a small Town-owned parcel near 234 West Church Street. She explained that the adjacent property owner is interested in purchasing the unused parcel for a proposed residential development. In response to Phil's question, Annmarie confirmed that the property is landlocked and noted that retaining an easement would leave the Town responsible for the property.

Kurt explained that due to the slope of the property, storm water management improvements would be necessary and could encroach upon the paper road. He noted that the property owner owns the surrounding land and that transferring the parcel would be the most practical solution. The Planning and Zoning Commission will review the proposal and provide a report.

Motion to send an 8-24 referral for 234 West Church Street to the Planning & Zoning Commission

ITEM #15: Discussion and possible action regarding the Town of Seymour Business Tax Incentive Plan

The Board discussed the proposed Business Tax Incentive Plan, which remains in draft form and was previously reviewed by the Tax Incentive Committee. It was noted that the Board of Selectpersons will now oversee further development of the plan.

Phil suggested expanding the plan to include senior citizen tax incentives. Annmarie clarified that the housing provisions would apply to larger developments, such as apartment complexes, rather than individual one- or two-family homes. The Board also discussed clawback provisions, compliance requirements, and applicable State housing regulations.

Brianna requested financial scenarios outlining the potential costs to the Town. Kurt agreed to provide the information to the Board in advance of the next meeting. Further discussion will take place at that time. No action was taken.

ITEM #16: Discussion and possible action regarding request from the Boys and Girls Club to hold their annual Carnival at the Seymour Community Center from June 21, 2027 through July 4, 2027

The Board discussed a request from the Boys and Girls Club to hold its annual carnival at the Seymour Community Center from June 21, 2027, through July 4, 2027, with hopes of making it an annual event in Seymour. The organization indicated its willingness to cover costs associated with field usage and police services, etc. No alcohol would be sold at the event.

The Board discussed the potential impact on Community Center operations. Annmarie explained that the carnival would primarily operate during evening hours and was not expected to interfere with daily activities. Parking arrangements for carnival workers were also discussed.

Motion to approve request from the Boys and Girls Club to hold their annual Carnival at the Seymour Community Center from June 21, 2027 through July 4, 2027

ITEM #17: Discussion and possible action regarding resident request to purchase a paper street known as South Benham Road

The Board discussed correspondence from the Seymour Conservation Commission opposing the potential sale of a paper road near Little Laurel Ledge Park – South Benham Road. Jeff Baryla, advisor to the Conservation Commission, explained that the matter was discussed at its July meeting and members expressed opposition to the sale.

Annmarie discussed a request from Matt Alterio, a property owner on Tibbets Road, who expressed interest in purchasing the paper road to address property boundaries. She explained that Middle, North, and South Benham Roads were originally intended to connect but were never completed.

Attorney Driscoll outlined the process for selling Town-owned property, including the need for a title search and other required procedures. Annmarie noted that the costs of a title search and survey could exceed \$10,000 and that a public bidding process would not guarantee Mr. Alterio's purchase of the property.

Several Board members expressed concerns regarding the potential sale, suggesting that retaining the property and incorporating it into Little Laurel Ledge Park could provide greater long-term benefits to residents. Phil encouraged the Board to consider the advantages and disadvantages of both options.

The Board also discussed previous issues involving the property, including a prior proposal and an encroachment matter that had since been resolved which included Mr. Alterio. Al expressed opposition to selling the paper road, emphasizing the importance of preserving the property for community use.

Motion to not sell the paper road known as South Benham Road

Motion: Scott Andrews

Second: Al Bruno

Discussion: Phil emphasized the importance of considering all perspectives before making a decision. Bob expressed support for retaining the property, noting its potential for recreational trails and the benefits it could provide to the community.

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Yes

Bob Findley – Yes

Annmarie explained that Frontier installed a new utility pole at the intersection of Pearl and Maple Streets. She noted that utility companies are responsible for relocating their equipment at their own expense, and all utilities located above the Town's traffic signal equipment have completed their transfers.

Bryan Nesteriak reported receiving two proposals for relocating the traffic signal equipment: Superior Electric for \$13,200 and A&S Electrical for \$14,500. He recommended awarding the work to the low bidder, Superior Electric.

Phil inquired whether the State had been contacted regarding potential assistance or future plans for the intersection. Annmarie indicated that the State was not willing to provide assistance and noted that funding was available in the streetlight budget account.

Motion to approve Bryan Nesteriak's lowest bidder recommendation of Superior Electric at the cost of \$13,200.00

Motion: Trisha Danka

Second: Bob Findley

Vote: 7-Yes 0-No

0-Abstain

ITEM #18: Discussion regarding Board of Selectpersons meeting for Tuesday, October 20, 2026

Early Voting begins on October 19th, during which time the Norma Drummer Room will be utilized for voting. As a result, the Board's regularly scheduled meeting on Tuesday, October 20th will need to be canceled.

ITEM #19: Ordinance

- b. Fire Department Cost Recovery**
- c. Right to Farm**
- d. Agricultural Committee**

Fire Department Cost Recovery – the Fire Department is asking for this ordinance to be passed to the ordinance committee to discuss.

Motion to move the Fire Department Cost Recovery Ordinance to the ordinance committee

Motion: Trisha Danka

Second: Phil Wilhelmy

Discussion: Scott questioned whether the Board of Fire Commissioners was aware of the matter and emphasized the importance of ensuring all parties are informed and in agreement. He noted that he had additional questions that he would forward to the Ordinance Committee for consideration.

Vote: 7-Yes 0-No

0-Abstain

Annmarie Drugonis – Yes

Trisha Danka – Yes

Phil Wilhelmy – Yes

Al Bruno – Yes

Brianna Girard – Yes

Scott Andrews – Yes

Bob Findley – Yes

Right to farm – no actions taken. Will be discussed at the next meeting in November.

Agricultural committee – no actions taken. Will be discussed at the next meeting in November.

ITEM # 20: Public Comment

Alex Danka, 203 Pearl Street, discussed changes to the Christmas Parade, including a new route beginning at Seymour High School and ending at the church. He explained that the event would take place in the evening and feature a procession of decorated vehicles, with registration information available outside the Town Clerk's Office. He also clarified that the Memorial Day Parade has not been canceled, although the route may need to be adjusted due to potential construction on Main Street.

Mr. Danka also addressed concerns raised at the previous meeting regarding the condition and replacement of flags throughout Town. He explained that flags are typically replaced upon request from the First Selectwoman or Operations Manager, Tim Connors, and asked the Board to establish clearer

responsibilities for the flag stewards. He also apologized for unknowingly purchasing flags manufactured in China and for any concerns this caused.

ITEM #21: Selectpersons public comment

Phil stated that he was made aware of a recent Planning and Zoning Commission ruling and plans to attend its next meeting to obtain additional information.

Al commended Seymour Pink for another successful annual race and thanked the organization for its continued contributions to the community. He also thanked Alex Danko for attending the meeting and providing clarification regarding the flags and upcoming parades.

Trisha praised the Seymour Pink event and thanked the volunteers for their efforts.

Bob recognized Seymour Pink for its dedication to the community and thanked everyone involved. He also reminded residents to exercise caution as daylight hours become shorter.

Scott raised concerns regarding a proposed 150-unit development in Oxford, particularly its potential impact on traffic. Annmarie explained that Board members could attend the upcoming public forum to express their concerns. Scott also inquired about improving the sound system in the meeting room to better accommodate the audience. Rob Dyer, IT Director, explained that previous issues with microphone feedback and the room's acoustics have limited available options. Scott also commended the community's support and participation in the Seymour Pink race, particularly the residents who cheered on and assisted runners.

ITEM #22: Comments from the First Selectwoman

The First Selectwoman reported a successful turnout for the Seymour Pink 5K and vigil and provided the following community updates and announcements:

- Community Movie Night will be held on October 17th, with residents invited to vote on the movie selection.
- The Community Trick or Treat event will be held on October 31st from 1:00 p.m. to 3:00 p.m. Registration for the Scary Lawn contest remains open through October 13th.
- Veterans Day banners will be displayed throughout Town, with interested residents encouraged to contact Heather Brown at Seymour High School or the Parade and Events Committee.
- The Seymour High School Sports Hall of Fame event will take place on October 26th, with tickets available at Town Hall.
- The Seymour Christmas Parade will be held on November 28th and will feature an evening procession of decorated vehicles with designated viewing locations throughout Town due to ongoing downtown construction.
- The annual Trunk or Treat event has been canceled this year due to increased attendance, logistical challenges, and limited volunteer resources. Emergency Services will reevaluate the event for future years.

The First Selectwoman reported that railroad construction remains on schedule and that a productive meeting was held with RAF regarding its future growth and long-term plans in Seymour.

Regarding the Bungay School project, she explained that recent evaluations determined the existing building could not be repurposed without significant upgrades and potential risks to grant funding for the new school. As a result, the existing building will be demolished. The project remains in the design phase, with continued input from teachers and other stakeholders. She emphasized that construction costs must remain within the amount previously approved by voters.

She also reported that the FY 2026 audit is on schedule for completion in mid-December and that the Assessor is working on the Grand List.

Additional community events and announcements included Downtown Shopping in the Dark on October 10th, the Lions Car Show on October 11th, the C2 New England Style Breakfast on October 18th, and Seymour Pink Day on October 21st. The Household Hazardous Waste Collection event has been rescheduled to November 14th from 9:00 a.m. to 2:00 p.m. at the Ansonia Public Works facility.

The First Selectwoman announced that the October 20th Board of Selectpersons meeting will be canceled due to Early Voting taking place in the Norma Drummer Room. Early Voting will be held at Town Hall from October 19th through November 1st, from 10:00 a.m. to 6:00 p.m., with extended hours from 8:00 a.m. to 8:00 p.m. on October 27th and 29th. Election Day voting will take place on November 3rd from 6:00 a.m. to 8:00 p.m. at the Town's designated polling locations. Residents were also reminded of the availability of absentee voting and encouraged to visit MyVote.CT.gov for additional information.

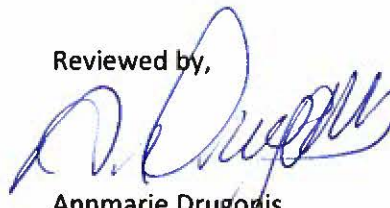

ITEM #23: Adjournment

Annmarie Drugonis adjourned the meeting at 9:06pm
