9. **Application IWC-26-2:** 87 Buckingham Road, Seymour, CT 06483
 - Request for Timber Harvesting; Commission Jurisdictional Ruling
 - In Connecticut, normal forestry and timber harvesting operations are generally considered permitted "**as-of-right**" agricultural activities, meaning they are exempt from standard wetland permits. However, landowners or practitioners must still obtain the municipal IWC formal **Jurisdictional Ruling** confirming that the operation is exempt.
