Monthly Trails/Open Spaces Report for October 15, 2026

Keith Mitchell Forest, Main Block (124 Squantuck [326 Roosevelt]) [KMF]
Work Party here on 10/03 focused on invasive plant management. A follow-up is planned for 11/07. Additionally, future work parties here will address issues outlined by the Environmental Review Team.

Paramount [pollinator garden] (21/22 Paramount) [PPG]
Crew performed management of invasive plants here on 09/19. Additional tasks (cut & paint) are scheduled to take place on 10/17. Two neighbors support these efforts and may assist us that day.

Little Laurel Lime Ridge Park (36 Tibbets) [LL]
Nothing new to report on at this property.

KMF/Greenleaves Parcel (900 Fountain Lake/131 Davis) [FLN]
Trail Manager and Zach to meet here on 10/15 to begin first steps in restoring the original Davis Road trailhead. Follow-up planned for 10/29 for additional restoration and surveying of potential strategic native planting sites, where necessary, to add more privacy for adjacent residents or home owners.

Gary Park Woods (21 Gary Park/18 Osprey) [GP]
A barrier of woody debris was placed alongside the Aquarion property. It's been repeatedly removed. Trail Manager also notified Parks & Rec about the erosion issue. They will contact Public Works to fix.

Dog Park (1 Colony [10 Moss]) [DP]
Zander Stevens of Troop 11 will construct a Rainbow Bridge here in the near future. SBC created a "Rainbow Bridge Committee" to help oversee. Public may assist, but it is ultimately Zander's project.

KMF Fountain Lake Block (899 Fountain Lake) [FLS]
City of Derby is considering an environmental review soon for possible development on their parcel.

Seymour Land Trust [SLT]
Trail Manager will draft management recommendations for all Seymour Land Trust owned properties.

Upcoming event schedule (approved by Seymour Beautification Commission [SBC]):
